

Bamboo Shoe Rack Wooden Bench Storage Organiser Cabinet Holder Stool

RRP: \$134.95

With its minimalist profile and eco-friendly construction, this entryway shoe and boot rack bench by Randy & Travis Machinery creates a lovely focal point for your foyer or entryway. Crafted from sustainable bamboo, this bench by provides the perfect solution to two top entryway challenges: where to sit when putting on shoes and boots and where to store them when not in use.

Spaces between the attractive slats provide plenty of ventilation for your shoes, while a sturdy bench supports people weighing up to 100 kg. A two-tier rack on one side accommodates up to ten pairs of shoes, depending on their size. The other side is perfect for your boots and high-top shoes. You might grow to love its beauty and versatility so much that you'll buy another to display your plants, books, or collectables in an attractive setting. Get your home organised with this gorgeous entryway accessory. Order yours now!
