

2.4m (8FT) Gymnastics Folding Balance Beam Pink Synthetic Suede

RRP: \$174.95

Have a budding gymnast in the family? This synthetic suede folding balance beam by Randy & Travis Machinery is a fantastic choice. With its soft, forgiving surface, it's ideal for beginners to perfect their moves without worrying about a fall, yet it can serve as a home backup for those moving on to intermediate levels. It accommodates a wide range of routines, giving you the next best thing to the gym. With anti-slip material on the bottom of the beam, you'll never have to worry about it slipping during an intense workout.

With its neutral pink colour, it will blend into the background in whatever room you set it up in. It folds away for easy storage whenever you or your children finish practising. It's lightweight and portable, so you can take it with you when you go on holiday! Its heavy-duty construction ensures that it will last, even through years of use. A stainless steel hinge resists rust and corrosion. Help the gymnasts in your family take their skills to the next level. Order yours today!
