

## 26m 5 Arm Wall Hang Mountable Clothes Airer Dryer Washing Line Bathroom Kitchen

RRP: \$159.95

Whether you prefer to dry your clothes inside in the bathroom or kitchen or outdoors in the garden, this 26-metre five-arm wall mountable clothes dryer by Randy & Travis Machinery is the perfect solution. It's easy to install on an outdoor brick or timber wall or a stud for an interior wall.

With water-resistant PVC-coated washing line connecting the five arms, you have 26 metres of drying space – enough to handle even the largest loads. Crafted from lightweight, yet durable aluminium, this clothes airer includes everything you need to mount it in your preferred location.

It's perfect for singles, couples, or even small families to meet all their drying needs. It can accommodate not only clothes but towels and bed linens as well. It's a great wedding or housewarming gift. It's a thoughtful way to remember those you care about with a practical present that's built to last for years to come. Order yours today!
