

164Pcs Cake Decorating Kit Turntable Rotating Baking Flower Icing Piping Nozzles

RRP: \$64.95

If you love to bake, this incredible 164-piece cake decorating kit from Randy & Travis Machinery must be your idea of heaven on earth. Create gorgeous gourmet cakes with professional-quality decorations – the only limit is your imagination. A rotating turntable and non-slip base make the perfect platform to craft your masterpiece. Its elegant design will be at home at even the fanciest parties. After the party's over, simply wash it by hand, and it will be ready for your next inspiration.

With a 48-piece collection of icing tips, you can dream up a broad range of designs. Food-grade plastic and stainless steel construction ensure complete safety. Cream trowels (one right-angled, the other straight) and a scraper allow you to get every bit of your icing on your cake, while cake spatulas, flower nails, and cake pens give you professional-grade capabilities. Disposable icing bags and a reusable pastry bag make it easy to pipe all your designs onto the cake. This complete collection of cake decorating tools is a must-have for every baker.
