

900 x 800mm Sliding Door Nano Safety Glass Shower Screen By Della Francesca

RRP: \$1,009.95

This eye-catching sliding double-door shower enclosure features 6mm quality safety glass and is as functional as it is beautiful. This chic shower door is a sleek addition to any bathroom or renovation. Its 16-wheel system makes opening and closing the door quiet and effortless. Cleaning and maintenance is a snap with the enclosure's quick-release door.

This lovely sliding double-door is sturdy and durable and is waterproof guaranteed. Its frame features magnetic seals and high-quality Black hardware. There are no worries about rust as the hardware that comes with the door is high-quality stainless steel. The accompanying side panel features a universal fitting that allows for right or left-hand installation with an 18mm out of true wall adjustment.

Della Francesca takes pride in manufacturing only the highest quality shower screens that are designed to not only be a focal point of your bathroom but also retain their appeal and functionality over many years of family living. Update your bathroom today!
