

700 x 2000mm Frameless 10mm Safety Glass Shower Screen

RRP: \$589.95

Elegance and simplicity are the guiding principles for the modern bathroom, and the Ultramodern Shower Screen from Della Francesca delivers on both counts. Della Francesca is a leader in high-quality accessories and fixtures for the Australian home, and this beautiful piece does not disappoint.

This single-panel screen is crafted from a 10mm-thick toughened safety glass. In addition to its crystal clarity, this glass is specifically designed to ensure absolute safety in the bathroom, meeting all applicable Australian Standards. Three sturdy and premium brass clips — one for the floor, two for the wall — are included for a straightforward, hassle-free installation. This panel measures 700mm wide by 2000mm high.

Great for new construction or for renovations, the Ultramodern Shower Screen from Della Francesca will transform your bathroom. And you won't spend a fortune doing it! Order yours today.
