

Bedroom Living Room Floor Lamp Reading Standing Light

RRP: \$244.95

Want an instant Mid-Century Modern vibe in your home? This sleek floor lamp by Palermo will transport you right back to the jet-set sixties while providing you with all the convenience of modern lighting – it's even compatible with Apple HomeKit, Google Home Assistant, and Alexa, so long as you have an existing smart outlet. A pedal switch allows you to tap it on and off with the touch of your foot if you don't have a home assistant.

With its mid-century reproduction drum shade and minimalist profile, this floor lamp will be the perfect foil for period or reproduction accessories. With the right furnishings, its simple, yet elegant profile will look great in contemporary, industrial, and farmhouse settings as well. It's perfect for your favourite reading corner. Place it near a cosy armchair and curl up with a good book. Only weighing 12 pounds, it's easy to carry wherever you need it.

A new twist on an old favourite, this lamp channels the look of 20th-century streetlights, hanging from an arch. The neutral ivory of the shade glows against the black lampstand for an instant wow factor for any room in your home. Its warm light creates a sense of instant relaxation for family and guests alike. Its LED bulb provides an average of 20 years of service, saving you on energy costs every minute you have it on.
