RRP: \$84.95

When you're an artist, you want a wide variety of professional-quality pencils to work with. This professional pencil set by Randy & Travis Machinery has a dazzling array of pieces, including pastel, sketch, metallic, watercolour, oil, and charcoal pencils, as well as all the tools and other extras you need to make your drawings come to life. This world-class pencil set does all that and more, with pencils that move across your paper easily, creating thin, well-defined lines and blending tools that allow you to blend colours to perfection.

Crafted from eco-friendly, non-toxic wood and other natural materials, this set is a great gift for artists of all ages – even children. It has everything you need – just pull out your paper or other media and start drawing. It even comes with a zippered organiser pouch with compartments to store each pencil or accessory in its own place. It's perfect for taking along on holiday, so you can capture the great outdoors in an original work of art. Whether you're a professional artist or a beginner – or somewhere in between – this versatile pencil set is all you need to create your masterpiece. If you have an artist in your family or circle of friends, this pencil set is the perfect gift. Order yours today!
