

## Large Portable Clothes Closet Canvas Wardrobe Storage Organizer with Shelves

RRP: \$99.95

If you've vowed that this is the year you're going to organise your belongings, this large portable wardrobe by Randy & Travis Machinery will be your best friend. With loads of shelves and two roomy spaces for hanging items, this space-saving wardrobe makes good use of every square centimetre of space. Store shoes underneath for even more storage. Not only is it practical, but its classically tailored design will look great in any room, while its neutral black colour will blend in with practically any room's colour palette. Use it as an elegant addition to your walk-in wardrobe to add even more storage space.

Crafted from waterproof, non-woven canvas fabric, this wardrobe works equally well in your pool house or shed to hang towels, bathing suits, or other outdoor equipment. Supported by eight strong metal legs, it's as sturdy as a portable wardrobe can be. Eco-friendly polyester canvas protects your belongings from dirt, dust, and moisture. Assembly is a snap, thanks to the extended ferrules that join the legs and reinforced metal shelving to form the frame. Don't miss this chance to not only organise your belongings.
