

230x200cm Floor Rugs Large Shaggy Rug Area Carpet Bedroom Living Room Mat - Grey

RRP: \$174.95

Grey has evolved into one of the hottest colours on the home décor market today. And it's no wonder. Its neutral tones blend with just about any room's colour scheme. This soft grey shag rug by Randy & Travis Machinery is no exception. With its thick comfortable pile undergirded with a layer of cushy foam, it's the perfect place to park your feet at the end of a hard day. It's the ideal solution to give your bedroom, living room, or rumpus room a contemporary, casual touch. Its thick pile and foam provide excellent insulation, keeping you warm during the winter and cool in the summer.

This rug doesn't just look great. It's easy to care for, too. Just vacuum it or shake it out, and it will look as great as the day you bought it. It resists both stains and fading, giving you years of dependable service. And, its non-slip backing keeps it in place, avoiding the need for constant adjustments. If you want to change your room's décor, simply fold it up and store it until you need it again. Add a pop of grey to update your room in one of this year's most trendy colours.
