

One-Door Office Gym Shed Clothing Locker Cabinet

RRP: \$359.95

At school, at home, or at work, the 1-Door Clothing Locker gives you, your employees, or your students the storage space they need for clothing and much more.

These vertically-stacked lockers each feature rods to keep clothing wrinkle-free, while air vents provide sufficient ventilation. Naturally, books, valuables, and any number of personal belongings could also be stored in this versatile unit in addition to clothing. It comes with a padlock-operated lock for worry-free storage.

The locker is constructed with solid cold-rolled steel plate for sturdiness and durability. The steel is also powder-coated to resist corrosion. The locker measures 180 x 38 x 45cm, and the maximum recommended weight capacity is approximately 30kg. In addition there are spaces designated for labels to help identify lockers when needed.

For even more storage, consider buying two or more units, which can be placed side by side where you need them.

A simple design makes assembly easy, and your locker could be up and ready in minutes - full assembly instructions are included.

For handy extra storage, the 1-Door Clothing Locker is your storage solution. Order today and take advantage of our everyday low price!

Features of Padlock-operated Lock:

For superb security for yours or your customers' belongings, you can't go wrong with this tough padlock-operated lock by Salvatore Angelotti. Crafted from durable metal, it's sturdy enough to hold up under even constant use. It's easy to operate – simply take the open padlock, slide it down into the lock mechanism, and swing it closed. It's every bit as break-in resistant as it looks.

It's also moisture resistant, thanks to a finish that makes it an excellent solution for storage in gyms and swimming pools – anywhere where
