

One-Door Office Gym Shed Clothing Locker Cabinet

RRP: \$369.95

At school, at home, or at work, the 1-Door Clothing Locker gives you, your employees, or your students the storage space they need for clothing and much more.

These vertically-stacked lockers each feature rods to keep clothing wrinkle-free, while air vents provide sufficient ventilation. Naturally, books, valuables, and any number of personal belongings could also be stored in this versatile unit in addition to clothing. It comes with standard lock (with 2 keys) for worry-free storage.

The locker is constructed with solid cold-rolled steel plate for sturdiness and durability. The steel is also powder-coated to resist corrosion. The locker measures 180 x 38 x 45cm, and the maximum recommended weight capacity is approximately 30kg. In addition there are spaces designated for labels to help identify lockers when needed.

For even more storage, consider buying two or more units, which can be placed side by side where you need them.

A simple design makes assembly easy, and your locker could be up and ready minutes - full assembly instructions are included.

For handy extra storage, the 1-Door Clothing Locker is your storage solution. Order today and take advantage of our everyday low price!

Features of Standard Lock with 2 Keys:

Made with heavy-duty metal, this lock is extremely durable and resists corrosion. This secure lock from Salvatore Angelotti will hold up even under heavy use. Its finish resists moisture, making it a great choice for moisture-prone locker rooms with sinks, showers, toilets, and other facilities. Its simple design ensures that users won't have to remember numerical combinations, yet its tough construction protects your lockers from break-ins.

Reliable and strong, this lock allows you to give one key to the user and

keep the other in a safe location, allowing you to access the contents if the user loses the key or leaves without turning in the key. It's an excellent alternative to combination locks for offices, gyms, or schools. Use it at home in your garage to secure valuable tools. Or, use it to lock a locker inside a wardrobe in your bedroom to keep jewellery, coin collections, or other valuable items safe.

Note: Each Lock on the unit will come with two keys. Locker assembly required; instructions and hardware included.
