

4 Door Locker - Office/Gym

RRP: \$369.95

Slim and versatile, the 4-Door Storage Locker gives up to four people the ability to store personal belongings at work or at school. It may just be the storage solution you've been looking for.

Four vertically-stacked lockers provide a good amount of room for small personal belongings, purses, textbooks, office supplies, and much more. This comes with padlock-operated lock to ensure safety of your items.

The locker is constructed with solid cold-rolled steel plate for excellent sturdiness and durability, not to mention an attractive look. The steel is also powder-coated to resist corrosion. The locker measures 180 x 38 x 45cm, and the maximum recommended weight capacity is approximately 30kg per locker. There are spaces designated for labels to help identify lockers, and air vents are built-in to assure sufficient ventilation.

For even more storage, consider buying two or more units, which can be placed side by side where you need them. A simple design makes assembly easy, and your locker could be up and ready in minutes. Full assembly instructions are included.

The 4-Door Storage Locker will offer plenty of functional storage to satisfy your multi-user storage needs. Take advantage of our low everyday price and buy today!

Features of Padlock-operated Lock:

For superb security for yours or your customers' belongings, you can't go wrong with this tough padlock-operated lock by Salvatore Angelotti. Crafted from durable metal, it's sturdy enough to hold up under even constant use. It's easy to operate – simply take the open padlock, slide it down into the lock mechanism, and swing it closed. It's every bit as break-in resistant as it looks.

It's also moisture resistant, thanks to a finish that makes it an excellent solution for storage in gyms and swimming pools – anywhere where moisture is an issue. Heavy-duty metal makes it nearly impossible for

would-be thieves to crack. It's the perfect lock for lockers in hotels, offices, factories, or even at home. Use it in your garage with its matching locker to stash expensive tools or in a wardrobe to keep coins, jewellery, and other valuables safe. Keep your customers' belongings – and your own – safe and sound. Order your lock today!

Note: Padlock itself is not included. Locker assembly required; instructions and hardware included.
