

Martial Arts Supply Rebreakable Board Taekwondo, MMA, Karate-Set: Yellow, Blue, Red & Black

RRP: \$304.95

If you practice martial arts competitively or just for fun, this re-breakable board by Randy & Travis Machinery is a must-have for your daily workout. With this durable martial arts board, you'll never have to waste your money on regular pine boards again. With a resistance equal to three one-inch pine boards, it's the perfect choice for advanced martial artists. Made from high-impact moulded plastic and rubber padding, it's built to last, even under heavy use.

Martial arts coaches, parents, and students love this board for its level of challenge and durability. Kids love it for its realistic sound when it breaks, while parents appreciate its reusability. It makes a great gift for birthdays or holidays – or as a reward for earning the next belt in whatever type of martial arts you practise. It's an excellent training tool for a wide variety of martial arts, including karate, taekwondo, MMA, and many more. Don't miss out on this valuable training tool. Order yours today!
