Pamper your pooch to the nines with this extra-large memory foam pet bed from Palermo. With four centimetres of Certi-Pur US-certified memory foam topped with a soft, breathable cover, your dog will drift off to dreamland in pure comfort. It moulds to every curve of your dog's tail-wagging body, giving your dog the equivalent of a custom bed. A non-slip bottom keeps it in place on the floor.

Done in neutral black with streamlined white trim, it will blend in beautifully in whatever room you place it in. With its human-grade orthopaedic foam, it will relieve age- or injury-related aches and pains, making your dog feel years younger. If your pup loves to chew, this mattress's cover features a hidden zipper in an eyelid design to prevent chewing. Give your furkid the best sleep he ever had. Order your dog bed today.
