

Childrens Outdoor Play Mud Kitchen Sand Pit

RRP: \$294.95

Don't let your child miss out on all the fun of an outdoor play kitchen just because you have a small garden area. With this lovely wooden mud kitchen by Randy & Travis Machinery, your children can make mud pies to their hearts' content. Modelled after kitchenettes in smaller flats, this kitchen features both a mud preparation area and a splash tub resembling a farmhouse sink, making your child's play come to life all the more. It has two shelves to store your child's pretend pots, pans, or finished mud pies, displaying your budding chef's work for all to see.

Crafted from timber that's air-dried, planed, kiln-dried, and then pressure-treated with an eco-friendly penetrating stain, this toy kitchen is built to last for years without the need to re-stain. Make your children's outdoor time something they'll remember for a lifetime. Order yours today!
