

50cm LED Wall Mirror Bathroom Mirrors Light Decor Round

RRP: \$234.95

Instantly elevate — and illuminate — your life with this luxurious LED mirror from Della Francesca. You won't ever need to question who's the fairest of them all when you have this mirror to dress with each morning. The high-quality materials and 50,000-hour lifespan ensure that it will last through the test of time. This mirror simply oozes elegance, infusing style into any room, all while serving a practical purpose. And that purpose! With three light settings, you can see how you look in daylight, at the office, or while you're relaxing in a cozy restaurant or at home in soft, warm light.

The mirror is as easy to use as it is beautiful, thanks to the easy-touch switch and brightness controller. It's bathroom-safe and fog-resistant. With rapid-defogging technology, you'll never have to wipe the fog off the bathroom mirror again after a shower. It's energy-efficient and environmentally friendly, helping you to reduce your carbon footprint every time you apply your makeup. It's easy to install and easy to clean. Neutral in colour, it will blend in seamlessly with your existing bath décor. It's the perfect accessory to turn your bathroom into an elegant, functional space. Order yours today!
