

## 80cm LED Wall Mirror Bathroom Mirrors Light Decor Round

RRP: \$369.95

Never wonder how you'll look under various types of lighting when you have this stunning LED mirror from Della Francesca on your bathroom wall. With three light temperatures — daylight for natural light, cool white for fluorescent office lighting, and warm yellow for soft, glowing light — you'll know exactly how you'll look in any situation. That's not all. The moment you step out of the shower, its anti-fogging technology goes to work, ensuring that you'll never have to wipe a steamy mess off your bathroom mirror again. With its elegant profile, it functions equally well as a bedroom mirror, in your office, or even in your living room for an uber-contemporary look.

With its top-quality materials, craftsmanship, and 50,000-hour lifespan, this lighted mirror should last for years, even with everyday use. It's eco-friendly and energy-efficient, lowering your carbon footprint as you save on your electric bill. Rimmed in neutral frosted white, it will complement practically any colour scheme. Easy to install, even for one person, it comes with everything you need to get it up and running as soon as you open the box. Don't wait to give your space that new look you've been dreaming of.
