

90cm LED Wall Mirror Bathroom Mirrors Light Decor Round

RRP: \$449.95

If you're looking for a bathroom – or bedroom – mirror that allows you to see how you'll look in various kinds of lighting, this stunning round mirror by Della Francesca is the ideal solution. Pile on the glamour with its realistic LED lighting, transforming yourself into fairytale beauty by its light. Its sleek lines complement any décor, while the LED lights save electricity and reduce your carbon footprint. With a lifespan of up to 50,000 hours, the waterproof lighting strip will last for years. Turn it off and on with only a touch – or simply press and hold to change the colour temperature.

With three choices of illumination: daylight, cool white, and warm yellow, you can test out your makeup and clothes as they'll appear in the outdoors, the office, or at home or in the soft, warm light of your favourite eatery. No worries if you've just showered. With its anti-fog glass surface, you'll see clearly without wiping it off. With its 50,000-hour lifespan, it will last for years. Its streamlined, curved profile will add visual pop in whatever space you install it in. Bathroom-safe and SAA-certified, it's the ideal solution for moisture-prone rooms. Add perfect clarity and perfect style to your bathroom or bedroom. Get yours today!
