

Wooden Bedside Table 3 Drawers Cabinet Storage Night Stand

Out of Stock: \$184.95

Update your bedroom with trendy Mid-Century Modern style with this gorgeous three-drawer bedside table by Palermo. With three roomy drawers for storage and plenty of space on top for your favourite lamp, photos, plants, and books, you can achieve the uncluttered look you love for your bedroom as well as the rest of your home. Its neutral white colour pairs well with a wide range of colour schemes, while its iconic splayed pine legs ooze classic Mid-Century style.

Made with top-quality wood and superb craftsmanship, this nightstand will be a gorgeous addition to your bedroom. It pairs perfectly with today's streamlined contemporary design with its retro "atomic" lines. Create perfect symmetry when you buy two, exuding a finished, designer look in your space. Take it out of the bedroom to create a whimsical look as an accent piece in your rumpus room, or place two of them at opposite ends of your living room sofa. These bedside tables make an ideal holiday or birthday gift for family members, loved ones, or extra-special friends — or give them to your favourite couple for a wedding or housewarming gift. Order yours today!
