

Shoe Cabinet Bench Shoes Storage Rack Organiser Wooden Shelf Cupboard Box

Out of Stock: \$209.95

Tired of hopping around on one foot while you struggle to put on your shoes? With this lovely shoe cabinet and bench combination by Palermo, you'll never have to hobble and wobble around again as you get ready to go outside or when you come home after a long day at work. Both shoe storage cabinet and seating area, this bench seat turns your home's entry into a comfortable spot to sit while you select your favourite pair of shoes and put them on. With 10 compartments, you can store all the shoes your family needs to eliminate the tangle of footwear at your door.

Crafted from sustainable yet durable materials, this shoe cabinet is sturdy enough to hold even the largest members of your family. With its comfortable foam seat, you can even use it for extra seating at holidays or if extra guests pop in. Crafted from top-quality MDF in a white melamine finish, its neutral colour will go with practically any colour scheme, should you redecorate. Its sleek, contemporary look will set the design tone for your home. Get yours today!
