

Four-Door Office Gym Shed Storage Locker

RRP: \$899.95

4-Door Gym Lockers

For the gym, at school, or at the office, and whenever you need extra space for multiple users, the 4-Door Gym Locker is your affordable storage solution.

Four spacious lockers are arranged in a compact 2 x 2 grid. They're perfect to store a change of clothes, keep valuables, and store other a variety of personal belongings short-term or long-term.

The locker is constructed with solid cold-rolled steel plate for excellent sturdiness and durability, not to mention an attractive look. The steel is also powder-coated to resist corrosion. The locker measures 180 x 76 x 45 cm, and the maximum recommended weight capacity is approximately 30kg per locker. Privacy and security are assured with a simple lock and key design. There are spaces designated for labels to help identify lockers, and air vents are built-in to assure sufficient ventilation. Each lock comes with 2 keys.

For even more storage, consider buying two or more units, which can be placed together for a fully customisable configuration with full assembly instructions included.

Don't delay - purchase your 4-Door Gym Locker today and take advantage of our everyday low price and fast order processing!

Features of 4-Digit Combination Lock:

When airtight security is a must, this four-digit combination lock by Salvatore Angelotti is the perfect choice. With 10,000 different combinations, trying to crack the code will be a near-impossible task! Each order comes with a master key, so you can gain access even if a user forgets the combination. Crafted from heavy-duty premium metal,

this lock is sturdy and durable, making it super tough to physically crack. Moisture- and corrosion-resistant, it's an excellent lock for lockers in locker rooms with water features.

It's the ideal option for lockers in gyms, schools, hotels, offices, and other workplaces. Use it on lockers in your garage to secure valuable tools or even in a wardrobe to keep coin collections, jewellery, or other valuables safe inside your home. Simply store the key in a secure location, and you'll have rapid access to items inside the locker if the user leaves or can't remember the combination. Keep your customers' belongings secure.

Note: Each order (not lock) comes with one master key only, regardless of how many different locker units, quantities or combinations purchased. A master key is sensitive in nature. An additional master key can be purchased on special order only. Locker assembly required; instructions and hardware included.
