

Indoor Practice Putting Green 2.5m Mat Inclined Ball Return Fake Grass 2 Holes

RRP: \$304.95

Now that autumn's here and winter's just around the corner, there's no need to put your putting practice on hold. When you have this indoor-outdoor putting green by Randy & Travis Machinery inside or on your patio, you can hone your technique like a pro. Perfect for every golfer from beginner to experienced, this versatile putting green will have your golf buddies 'green' with envy when you return to the greens. Its top-quality plastic and artificial turf construction are weather-resistant, durable, and easy to care for. Even better, it comes with its own putter and three golf balls, so it's ready to go right out of the box.

With both a large and a small hole, it allows you to prepare for practically any putting situation you'll face on the golf course. Use a variety of approaches from easy to near-impossible to perfect your technique. If you miss a putt, you won't have to chase after it. Its ball return feature uses gravity to send your ball right back to you. There's even a white guide line to help you improve your aim when you miss. It's easy to store and easy to move, so you can stash it in a wardrobe at home or in a closet in your office. You can even take it with you when you go to the park or go away on holiday. And, it's a perfect gift for the golfer in your life or to introduce your child or grandchild to the game of golf. Order one for yourself and one for a special someone today!
