

Set of 4 Industrial 3-Rod Retro Table Legs 12mm Steel Bench Desk - 11cm White

RRP: \$84.95

If you are an avid DIYer or a professional carpenter, these hairpin table legs by Della Francesca make the perfect finishing touch for your next table. Whether you're refurbishing a vintage find or are building your own table, these legs are just the right size for coffee tables, coffee bars, or side tables for your bedside or living room.

Crafted in corrosion-resistant steel, these elegant table legs are as strong as they are beautiful. Though you're not likely to put it to the test, these legs can hold weights up to 150kg. Done in neutral white satin, these legs will look great with any colour table and blend in seamlessly with your other home furnishings.

If you love streamlined elegance, don't miss out on these lovely table legs for your next project. Purchase yours today.
