

Set of 4 Industrial Retro Hairpin Table Legs 12mm Steel Bench Desk - 41cm Black

RRP: \$94.95

If you love the Mid-Century Modern look, but your furnishings need a Sixties refresh, there's nothing like hairpin legs to give them a retro makeover. With these sturdy steel black table legs by Della Francesca, your dated coffee table, side table, console, or nightstand will take on the streamlined look you love. With their sleek, minimalist profile, they'll look equally well in a room where industrial chic rules the day. With their neutral colour, they'll pair perfectly with any colour scheme or tabletop. They're easy to instal and built to last a lifetime. Pre-drilled holes and a pack of screws make installation easy for even new DIYers to tackle.

For more advanced craftspeople, these gorgeous table legs are the ideal finishing touch for a handmade table. Surprise a special person in your life with a handcrafted table or stand that will likely become a treasured heirloom. Their powder coating and heavy-duty construction protect them from the rumble-tumble of everyday use, while soft foot pads cushion your floors against scratches or dents. Transform your tabletops into a Mid-Century classic or create one yourself. Order yours today!
