

Black Two-Door L-shaped Office Gym Shed Storage Lockers

RRP: \$454.95

Our L-shaped, two-door vertical locker is a specially designed space-saving solution that provides the functionality for clothes and items storage, for 2 users. It's the ideal solution for personal use in the home or an apartment; or stack several units together for business needs like in schools, gyms, or work areas.

The locker has 2 L-shaped compartments, each with a clothing rod so your garments stay wrinkle-free, and still leave ample room for various items. The clothes bar can hold several garments with a combined weight of up to 10kg. Built-in air vents keep your stored items fresh-smelling. You can also customise your locker with a name tag or label in the designated slot provided.

The locker measures 180 x 40 x 45cm and is constructed with steel plates for strength and durability.

The locker can be up and ready in minutes, thanks to the simple assembly design.

Features of 3-Digit Combination Lock:

When you need a secure option for your lockers, yet want an easy-to-use backup system, this three-digit combination lock from Salvatore Angelotti is the ideal solution. With a master key for each order, you can retrieve the locker's contents, even if a user forgets the combination. Crafted from durable, sturdy metal, this lock resists corrosion and is nearly impossible to crack. With 1,000 possible numerical combinations, the lock ensures that anyone trying to break into your locker by guessing the code will have an impossible job.

It's the perfect choice for schools, gyms, hotels, offices – and even to organise your home's entry. Resistant to moisture and built to last, this 3-digit lock will keep belongings safe inside the locker. Just keep the master key in a safe place, and you'll have the best of both worlds – a difficult-to-guess passcode and a backup plan that gives you quick access if the user leaves or can't remember the combination. Order yours today!

Note: Each order (not lock) comes with one master key only, regardless of how many different locker units, quantities or combinations purchased. A master key is sensitive in nature. An additional master key can be purchased on special order only. Locker assembly required; instructions and hardware included.
