

V Shaped Table Bench Desk Legs Retro Industrial Design Fully Welded - Black

RRP: \$229.95

If you're looking for the perfect legs to complement your newly refinished or newly crafted tabletop, you've just found them. Add a high-end designer touch to your creation with these V-shaped hairpin table legs from Randy & Travis Machinery. With their on-trend mid-century vibe, they'll look great with contemporary décor, an industrial-chic vibe, or even an Art Deco look, with its curves and streamlined look.

Though they're slim and streamlined, they're as strong as they are lovely to look at. At 72cm, they're the perfect height for a coffee table, end table, or bedside table. Their triangular base provides stability and strength, providing you with all the support you need to hold your books, snacks, or bedside necessities. Don't miss your chance to upgrade your project with a designer look. Purchase your table legs today.
