

100kg Trolley Folding Hand Truck Sack Barrow

RRP: \$184.95

It's always great to have a hand truck on hand so you don't have to borrow one from your neighbour – or worse, pay a lot to rent one. So, whether it's getting a load of luggage into your car before you head off on holiday or moving your new refrigerator into its new home, these handy trucks can make hard work a breeze. This folding hand trolley from Randy & Travis Machinery is the perfect solution. With its 100-kilogramme capacity, it can handle a wide variety of items, from furniture to appliances to sports equipment. But here's where it's heads above other hand trucks – it folds away easily so that you can stash it away in your garage, in a storage room, or even in a wardrobe.

Even though it's a real workhorse, its light aluminium construction and ergonomic handle and footplate make it easy to steer, even with heavy loads. With its top-quality craftsmanship, it's as durable as it is useful, even under heavy usage. Fitted with two 150-millimetre no-puncture rubber wheels, it's easy to manoeuvre, even in tight spaces. A telescopic handle adjusts and locks at the exact height you need, making it easy on your back. Get the tool that makes your life a lot easier at home and on the job. Order your hand trolley today!
