

100 Earring Ring Holder Jewellery/Necklace Display Storage Gift Box Show Cases

RRP: \$44.95

Never hunt through a tangled pile of jewellery to find your favourite rings or earrings again. With this elegant jewellery organiser by Randy & Travis Machinery, you can find the pieces you need in a single glance. Its transparent glass top both protects and displays your neatly organised rings, earrings, and other jewellery, all showcased against luxurious black velvet. Holding up to 100 rings, this premium-quality jewellery box keeps your entire collection dust-free yet completely visible.

Crafted from wood covered with top-quality leatherette, this sturdy box is designed to last. Each velvet-lined slot can hold one ring or a pair of earrings, protecting your precious jewellery from scratches and bumps, even when you travel. Two clasps secure the lid, keeping your collection secure. Its neutral colour and streamlined design make it perfect to display atop your vanity or dresser as a treasured accessory. And, if you have a jewellery lover among your friends and family, this box is the perfect birthday or holiday gift. Order yours today!
