

Floating Wall Shelf Brackets Heavy Duty Rustic Industrial 4-Pack

RRP: \$59.95

For most homes, storage space is at a premium. Storage shelves that look as great as they perform are even rarer. These heavy-duty rustic shelf brackets by Randy & Travis Machinery do both with their custom designer look. If an industrial, rustic vibe is your style, these black iron brackets will showcase your belongings even as they free up space.

Whether you use reclaimed timber or brand-new shelving boards, these neutral black matte brackets will go well with whatever colour or finish you choose for your shelves. They fit common-sized boards, making it easy for you to find the right shelves to accent your home's unique style.

They're easy to install and come with all the hardware you need to get them up in minutes. With their on-trend look, they're a great way to update your home or office for only a small investment of money and time. Transform your home into a rustic getaway with these versatile shelf brackets. Order yours today!
