

Folding Desk with Shelf Computer Laptop PC Table Side Home Office Furniture

RRP: \$294.95

Perfect for a child's bedroom or as a portable desk for yourself, this folding desk by Randy & Travis Machinery will turn anywhere in your home into a movable office. Like to catch up on work while you relax in front of the television at night? Stack your reading material on the shelf and unpack your laptop and get to work. When you're finished, simply fold it up and put it away until you need it the next time. Even though it's a great desk, it also can serve as a portable table for noshing on snacks while you binge-watch your favourites or a side table for last-minute overnight guests who camp out on your sofa.

While it's the ultimate in convenience, its streamlined, neutral profile serves as an elegant accessory for your home. Take it along on camping trips and picnics for a side table to hold extra food and beverages. Its neutral black colour blends in well with almost any room's colour palette. Crafted from durable steel and top-quality MDF, this desk will last for years, even under daily use. It's a great gift – and a versatile accessory for your home. Get yours today!
