

15 x Brushed Brass Drawer Pulls Kitchen Cabinet Handles - Gold Finish 192mm

RRP: \$129.95

Looking for a way to add visual pop to your kitchen or bathroom cabinetry? With these contemporary brushed brass drawer pulls by Randy & Travis Machinery, your kitchen or bath will look sparkling new without the expense of a complete renovation. Add a designer touch with their classic rectangular profile and subtle gold tones.

Their minimalist vibe gives your room maximum design impact. Their warm gold colour, softened by the brushed finish, blends in well with practically any colour palette while their streamlined design makes your cabinetry the star of the show.

Crafted from hollow stainless steel for rust resistance and durability, these drawer pulls should last for years. Make this year the year you'll give your kitchen a makeover – and wow your neighbours and guests with your superb taste. They're easy to install – and even come with their own screws for no-fuss mounting. Don't wait until your neighbour orders a set. Get yours today.
