

White Cube DIY Shoe Cabinet Rack Storage Portable Stackable Organiser Stand

RRP: \$104.95

Every shoe lover needs a special spot to store their vast collection of shoes. This modular storage solution by Randy & Travis Machinery is a dream come true for shoe lovers of all ages. With three columns and four rows of shelves, you'll have enough space to protect all your favourite shoes and keep them looking as good as new. And, to store your winter boots, all you have to do is remove one of the shelves, and you can stash boots 30 cm high or less in the expanded space.

Use the top to store your handbag, book bag, or other accessories so that you'll have everything you need to head out the door in a single location. It's the perfect addition to your walk-in wardrobe, or it can serve as an attractive stand-alone storage solution. Its neutral white colour blends in well with most homes' colour palettes — and you can divide the sections among various rooms if needed. Or, you can buy an add-on later if your storage needs expand. Plus, it makes a fantastic gift for the shoe lovers in your life. Keep your shoes off the floor and safely stored with these convenient shoe storage cubes. Order yours today.
