

## BRIENZ 32-inch Nano Workstation Ledge Undermount 16 Gauge Stainless Steel Kitchen Sink Single Bowl

RRP: \$1,309.95

This WORKSTATION sink from BRIENZ maximizes the functionality of your kitchen sink by adding built-in accessories that slide on integrated ledges built into the sink. Includes a deep STAINLESS STEEL COLANDER that you can also use as a caddy for your dish soap and sponge. The solid CUTTING BOARD is constructed of luxurious hardwood that has a beautiful dark finish. The sturdy stainless steel FOLDABLE RACK sits on the track and is ideal as a dish drying rack.

BRIENZ uses a commercial grade brushed finish that is easy to clean and long-lasting. Unlike satin finish, BRIENZ 's brushed finish hides scratches better and matches well with your kitchen appliances.

BRIENZ is one of the premier names in kitchen sinks. The BRIENZ name is synonymous with exceptional quality products and creative sensible design. BRIENZ products are loved by customers, and trusted by leading interior designers and custom home builders.
