

2x Towing Mirrors Pair Clip on Multi Fit Clamp On Towing Caravan 4X4 Trailer

RRP: \$104.95

Summer is coming, and with it, the caravanning season. Keep a better eye on what you're towing — and your 'blind spot' — with these amazing universal fit towing mirrors by Randy & Travis Machinery. Whether your towing vehicle is a 4 x 4, a ute, or a car of any size, these towing mirrors will be your best friend when you're on holiday.

With their proprietary air-balanced design, these mirrors won't vibrate like most towing mirrors, thanks to its wind tunnel testing. In fact, they get more stable as you go faster. With their premium-quality strap, these mirrors will fit as well or better than pricey custom-designed mirrors. The tension is easy to adjust, and the screws will last a lifetime, thanks to their stainless steel and brass construction. With clamps, you'll have a set of mirrors that will last for years of fun to come. Safety glass and rounded corners protect you and pedestrians passing by from accidental injury. Don't risk poor visibility this year on holiday. Order your set of towing mirrors today!
