

Kitchen 17 Pc Knife Set w/ Block & Sharpener Chef Bread Steak Knives

RRP: \$129.95

If cooking is in your DNA, you won't want to miss out on this chef-quality set of 17 kitchen implements by Randy & Travis Machinery. With seven specialty knives, six steak knives, a knife sharpener, a peeler, and kitchen scissors, you'll have everything you need to create gourmet perfection every time you get ready to prep and cook. The set includes the following: chef, carving, bread, paring, utility, pizza, and cheese knives. They're easy to clean — and with their non-stick coating, you'll always have clean cuts.

Crafted from quality stainless steel. Beautifully engineered, these knives are shock-absorbent, corrosion-resistant, and tough enough to withstand humidity, high temperatures, and even salty sea breezes — so you needn't worry about taking them along with you at your next beach picnic. And with its two-stage sharpener, your knives will stay sharp as long as you have them. Although they're dishwasher safe, hand-washing gives your blades a longer life. Additionally, this set even comes with a stunning clear acrylic stand to display your collection. And, if you have a loved one who loves cooking fine meals, cross off one gift from your holiday gift with this stunning set of precision knives and other kitchen tools. Don't wait until they're all gone. Order one set for yourself and another for the cook in your life today.
