

180cm Large Cat Enclosure Wooden Outdoor Cage with 3 Platforms

Out of Stock: \$989.95

Have you ever wanted to allow your cats or small dogs to play outside but were afraid that they'd get out into traffic or fall victim to predators? With this completely enclosed playpen, you never have to worry about their safety. They'll enjoy the fresh air, sunshine, sights, and sounds of nature without the dangers of outdoor life. Crafted from natural fir timber and wrapped in metal wire, this sturdy patio-like enclosure will keep your pets safely inside. Three platforms provide the perfect perch for Kitty to relax and watch the world go by. Overhead, an asphalt-covered roof protects your pets from rain and the hot summer sun.

Its rustic, natural design makes it an attractive addition to your garden or backyard, while its durable construction ensures that it will give your family pets years of use. Coated with a water-resistant, non-toxic sealant, the timber frame won't warp or split like untreated timber. Its generous ground coverage can easily accommodate multiple pets, and its large front door allows you to enter and exit easily. If you want to give your pets the benefit of being out in nature while staying safe, this is the perfect solution. Give your pets the gift of safety today!
