RRP: \$149.95

Surely, we're living in the era of laptop living. Whether it's your job, studies, or watching a tv show, the use of a laptop has become a norm. But the dilemma arises when you have to set up your laptop/monitor at an appropriate eye level.

This Laptop Notebook Stand from Randy & Travis Machinery will sort your problem! Any regular user of a laptop/monitor would agree that hunching over the screen now and then gets a bit too stressful and also reduces attention span. Well, declutter your desk by getting this adjustable monitor stand from Randy & Travis Machinery.

This product aims to elevate your laptop or monitor so that you can work comfortably. You'll also have more desk space and all cables and wires would remain tidy. You can rotate in any position you like. All you need to do is find the right place to attach it keeping in mind the size of your laptop/monitor. It is a super versatile product suitable for workaholics and built with a rock-solid material to bear the weight of not one, but two monitors! Intrigued already?
