

Billboard Hanger Indicator Light Suspension Hook Cable 30kg Load Capacity 8 Pack

RRP: \$99.95

Have a knack for hanging artwork, decoration, or mirrors around your home? Hanging your favourite decoration pieces becomes a challenging and tedious task when you don't have the right tool. Well, we've got you covered! This Billboard Hanger from Randy & Travis Machinery will enable you to mount anything on your wall. The wires are made up of vinyl-coated stainless steel and shaped like a braid to maintain resistance. The product includes wall plugs, disc code, self-tapping screws, and a stainless steel cable. You'll find this product extremely versatile especially if you're fond of revamping your home or workspace with new and creative art pieces or mirrors.

Now, you no longer have to use double tapes or screws to mount anything on the wall. Get your hands on these hook racks and add that extra oomph to your surroundings. You can easily adjust the length of the rope according to your preference by pressing the spring buckle. And the best part is that these 2mm ropes can bear weight up to 30 kgs!
