

## 3/4" Wood Gluing Pipe Clamp Set (4 Pack) Heavy Duty PRO Woodworking Cast Iron

RRP: \$119.95

Woodworking requires a ton of knowledge, and the right tools of the highest quality are needed to achieve the best results. A good and handy clamp can really make a difference. With this heavy-duty clamp from Randy & Travis Machinery, you can get your work done in minimum time and ease.

This clamp is perfect for woodworkers! Just slide the pipe clamp through any length 3/4" pipe to hold wood in place for gluing and drilling! Designed with four-plate clutch for high clamping pressure and quick release.

This clamp is built for heavy-duty construction as it is made out of pure cast iron. This is your ideal tool when working on cabinets and wooden boxes!
