

Bicycle Shelter Outdoor Bike Cave Garden Bike Storage Shed Tent Travel

RRP: \$149.95

Bicycle riding is one of the best joys in life. Bicycles are durable and sturdy, but they need care and proper storage to last. This bicycle storage tent is one way to provide protection to keep your bike in its best shape possible.

Made by Randy & Travis Machinery, it is made from polyester taffeta which is waterproof and durable. With ample space for movement, you can store one bicycle and still have room to spare, and with good ventilation through a window opening at the back. It may also be used for your gardening tools, pool equipment, and other outdoor gear.

Through this Bicycle Shelter Outdoor Bike Cave Garden Bike Storage Shed Tent Travel, you have a small garage for your bike. At the same time, it is versatile and convenient, with a carry bag for easy transport.
