

Grain Container Cereal Dispenser 10L Dry Food Rice Flour Storage Box Wall

RRP: \$69.95

Doing groceries is fun but arranging your pantry is a pretty daunting task! Dairy and other perishable foods go straight in the refrigerator but what about dry food such as cereal, rice and flour? Dry foods require a simple yet spacious dispenser to preserve the freshness and keep your pantry neat and tidy!

Keep your food safe from splashes, dust and more through these food grain dispensers! Food remains properly kept until you press the button to release it.

With this sustainable food-grade dispenser, there's no need to worry about spillage. It can be left sitting on the counter or wall-mounted, whichever you prefer.
