

Entrance Door Pull Handle Matte Black 800mm

RRP: \$219.95

This matte black entrance door pull handle from Della Francesca will make an elegant addition to a compatible door. The aesthetic is highly modern and streamlined, with the versatility to be installed in a domestic or commercial setting. Add a stylish and functional pull handle to enable easy opening of any door. Made from stainless steel with sturdy, concealed fastenings, installation is simple and it's built to last.

Features:

- The sleek lines, flat surfaces and geometric angles make for a streamlined, contemporary appearance
- Simple installation kit with screws and matching caps make it easy to attach
- Manufactured from 304 stainless steel
- Suitable for installation on glass, timber and aluminium doors with a thickness of 5mm to 50mm
- Handle can't be mounted back-to-back on both sides of the door

Specifications:

- Dimensions: Height of 800mm, diameter of 38mm (facing) by 25mm, projection of 80mm
- Colour: Matte black with matching installation caps

Install on glass, timber or aluminium doors within the specified thickness range.

The screws and colour-matched caps make it simple to install and ensure a seamless, elegant finish once in place. This handle is ergonomically designed to make it comfortable for the user and the premium stainless steel construction ensures it's rugged and built for the long haul. The aesthetic is suited to a minimalist, highly-contemporary decor!
