

## Stainless Steel Retractable Single Clothes Line Dryer Laundry Indoor Outdoor

RRP: \$24.95

Trying to get your clothing dry when you don't have enough clothesline space can feel like a never-ending battle. You're constantly trying to get your clothing to dry in a tiny area or you're having to resort to using the dryer more often than not. If this sounds familiar, then the Randy and Travis Machinery retractable clothesline is the perfect addition to your home. Made out of high-quality stainless steel with a braided nylon line, it can be installed wherever you need it in your home, whether that is indoors or outdoors. It can support plenty of weight (up to 10kg), making it a great drying option for your clothing and linen.
