

Folding Wall Mount Retractable Clothes Hanger Laundry Drying Rack Organiser

RRP: \$34.95

The Randy and Travis Machinery Wall Mount Retractable Clothes Hanger is a useful solution for those who want a subtle yet practical air dryer for their clothing. Simply extend the hanger when you need it, and then retract it flat against the wall when you're done to free up space and avoid cluttering your home. Thanks to its compact size, this wall-mounted clothes hanger is great for smaller homes and apartments. The stainless steel and plastic hanger also has a subtle design, so it isn't unpleasant to look at. Install it in your laundry room to make the space more functional.

Features and specifications:

- Materials: stainless steel pipe and ABS hard plastic for durability and strength
- Colour: white and silver
- Suitable for any room in the home: bathroom, laundry, bedroom, wardrobe etc
- Space-saving design can be folded away when not in use
- Great option if you are short on space or want to create an additional drying area inside
- Strong and durable design allows for multiple items to be hung at one time
- Easy and secure installation with minimal tools and equipment required
- Size: 29cm x 33cm
- Quantity: 1pc
