

5 Tiers Vertical Bamboo Plant Stand Staged Flower Shelf Rack Outdoor Garden

RRP: \$144.95

Plants help to keep your air fresh and clean by removing toxins. Having a dedicated spot for your flowers and pot plants is a great way to create a corner of nature or utilise the natural sunlight that a specific area in your property is receiving. However, it can often be difficult to find the right spot for your plants due to your home size or available surface space.

The Randy and Travis Machinery 5 Tiers Vertical Bamboo Plant Stand is an ideal solution to store your prized plants on. With multiple tiers and shelves, you will be able to showcase every plant you own, no matter its size or shape.
