

Portable Clothes Rack Coat Garment Stand Bamboo Rail Hanger Airer Closet

RRP: \$254.95

Not having enough closet space in your home is an issue that many households have to contend with. When closet space is an issue, finding a reliable and suitable alternative is important to ensure that your clothing stays in good condition and you have adequate storage space. The Randy and Travis Machinery Portable Clothes Rack Coat Garment is a portable double clothes rack that features a set of bamboo shelves with a full-sized coat rack on either side. This makes it the perfect option for couples to have their own side each or for individuals who have extensive wardrobes and need the extra hanging space.
