

Portable Clothes Rack Coat Garment Stand Bamboo Rail Hanger Aired Closet

RRP: \$84.95

If you are looking for a simple yet functional portable clothes rack to help you expand your closet space, consider the Randy and Travis Machinery Portable Clothes Rack. It comes complete with extra pegs at both ends so that you can hang your hats, scarves and bags out of the way. Its clean lines and sturdy frame offer plenty of additional storage for clothing that you need to hang. It also features a storage shelf at the bottom for you to organise all of your bulky items such as boxes, shoes, linen and bedding. The simple yet understated natural look of the bamboo is stylish and blends easily into any decor, making it a convenient addition to any home.
