

Portable Clothes Rack Coat Garment Stand Bamboo Rail Hanger Airer Closet

RRP: \$164.95

It can be difficult to find a portable clothes rack that is spacious and sturdy enough to meet your needs, but also stylish enough to complement the existing interior of your home. The Randy and Travis Machinery Portable Clothes Rack Coat Garment Stand is built from strong bamboo and is durable enough to handle constant everyday use. With its simple, yet classic design, the rack provides plenty of extra space to store all of your hanging items with ease. It also comes with 2 extra shelves built into the bottom of the rack to provide extra storage space for your more bulky items such as shoes and blankets. The elegant bamboo material provides the portable garment rack with a timeless design that will fit into any home.
