

Rustic Rock Brick Wallpaper

RRP: \$54.95

Bring the beauty of natural stone into your home or workplace with Randy & Travis Machinery Rustic Rock Brick Wallpaper. The paper features a stone wall style pattern of natural rocks that make a great feature wall or can be used to add visual interest to a small area of a room, for example, a TV nook or alcove. As the design suggests tranquillity and the grandeur of the natural world, its peaceful ambience makes it a great choice for yoga or spa facilities, cafes, restaurants or any space where people wish to relax and unwind.

The wallpaper has a 3D effect that adds realism to the rocky pattern.

Vinyl paper is hard-wearing and moisture-proof - a great option for domestic kitchens or other high-humidity environments. It's strong enough to cope with the challenges of a commercial location and is resistant to UV deterioration. Maintenance is minimal - a wipe-over with a damp cloth to remove surface dust is usually sufficient to keep the wallpaper looking good for years.
